Dear Brian,

I hope that all of your dreams come true,
and your future is successful and that life is full
of surprises, enjoyment and excitement. Keep your-
self out of trouble in all aspects of life and do
what you think is right no matter what anyone
else says - you've got a mind of your own and
~~no one~~ ^{no one} can take it from you. Take your time
making decisions and don't rush, for tomorrow
may not come till the next day. You're a pretty
cool guy. God Bless You

Love always,
Kathy.

In the classroom, in chapel services, in our associations together at Central Baptist School, we have been inspired to meet the challenges of life and have been encouraged to live with holy purposes and high inner principles. In this yearbook we have endeavored to present a record of those days which we trust will continue to challenge us in our tomorrows. If we have succeeded, we are grateful. Our labors will not then have been in vain.

Joy Carpenter

The President's Message

I would like to be the first to congratulate you, our Seniors, for your achievement. You have been an enjoyable challenge and blessing to the Central Baptist Schools. It is my prayer that your future will be more enjoyable and prosperous because of your stay with us. We are left with many memories of you which will be cherished by all.

Always remember the faithful teachers who with joy made a contribution to your life. Use these contributions for the glory of our Lord and Saviour and the well-being of others. Never forget that our Lord made it possible. Commit to others the things you have learned that we may see our work perpetuate itself through you.

Follow these three principles regardless of your vocation in life. If you do, you cannot fail--God first; Others second; Self last

OUTSTANDING CHAPEL SPEAKERS

As we look at the whitened harvest fields of the world, and realize the scarcity of laborers, it is our sincere desire that God will continue to call from our student body, those who will follow the great commission to "preach the gospel to every nation."

A Word From The President

It has been my pleasure to serve as President of the S.C.A. We have had a most rewarding first year. It is our sincere wish that S.C.A. councils will use our accomplishments as a blue print in their construction of a better school for the student body of Central Baptist
